Notice of Policy Update:

TVID has adopted a new Public Records Request Policy pursuant to ORS 192.440(7)

Resolution 2024-5 adopted to policy 5-14-2024. You can find TVID's Policies on our website at tvid.org under the Resources tab or give the office a call.

Although cannabis has been legalized in Oregon. It is still illegal as far as the Federal Government is concerned. The Controlled Substance Act of 1970 (CSA) and its implementing regulations prohibit the cultivation of marijuana, as defined at subsection 102 (16) of the CSA (codified at 21 U.S. C. 802(16))¹. Reclamation's obligation as a Federal Agency to uphold Federal law prohibits it from approving the use of Reclamation water or facilities to facilitate activities prohibited by the CSA. This NO LONGER includes Industrial Hemp.

Our Telephone System

If you have called after hours, you may have noticed our message system. There is a designated mailbox for both Emergencies (Option 9) and Water Orders (Option 1). When calling in, follow the prompts to access the correct mailbox.

Reminder:

During Irrigation Season ALL water users must order water prior to using regardless of the amount being used. The water order can be taken for a 7 day duration. Pipeline users need to order 24 hours and river users 48 hours **PRIOR TO USING. If you are wanting water during the weekend, you must call BEFORE 12 pm the Thursday or Friday prior to watering.**

In the event of a scheduled shutdown, we try to notify those who have ordered water.

4 ways to order water:

Late Season

Regular irrigation season will end September 30th. Meters will be read at this time. Be sure to have the area around your box free of debris. If you would like to use water in October, or October and November, an Extended Irrigation Season Application must be completed and returned along with the appropriate payment to our office by the September 20th deadline. This process applies to both pipeline and river users.

IMPORTANT: All turnouts which have not submitted an Extended Irrigation Season Application by September 20th will be scheduled to be shut off and winterized for the season on October 1st. There is a **\$50 charge** to restore service to turnouts which have been shut off for the season.
